HOSTETTER'S STOMACH BITTERS.

Ir is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain .ommon sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired e'deet, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nau-sea, Flatalency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Howels, producing Cramps, Dysentery, Colie, Cholera Morbus, &c., these

Bitters have no equal. Diarrheea, dy entery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to devangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infal-lible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science. FEVER AND AGER .- This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S KENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and reader unnecessary any change of diet or interruption

of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is re-moved as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indis-pensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hosterter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the victue of the Bitters, will

recommend their use in all cases of weakness. CAUTION .- We cantion the public against using any of the many imitations or counterfeits, but ask for Hostevern's Celebrated Stonach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stemach Bittera" blown on the side of the bottle, and stamped on the metallic cap covering the eark, and observe that our autograph

signature is on the label. Far Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa, and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South

America, and Germany. SOLD BY PECK & HAMILTON , DRUGGISTS, PERRYSBURG, OHIO, [Jan. 6.

SINGER'S SEWING MACHINES. IN all the leading branches of manufacturing indus-try the great practical superiority of Singer's Sewlog Machines is a fact established beyond dispute. No tailor, shoe manufacturer, clothier, seamstress, dress maker, saidler, carriage trimmer, hat manufac-turer, &c., &c., can afford to do without them.

One Thousand Dollars a Year Is only a fair average of the actual profit from the use of each one of these Machines and, for confirmation of this truth, we refer to any one of the thousands of persons who use them. They are adapted to every sort of work, one or course upon silk, cotton, linen and woolen labrics, also light and heavy leather. They never fail to give entire satisfaction.

To meet the growing demand for a smaller and more elegant machine for private household purposes, we have just produced, and are ready to receive orders for Singer's New Family Sewing Machine, Which is the most compact and beautiful - ewing Ma-chine ever constructed. It is ornamented in the highest style of art, and all who see it are delighted with it It makes the improved interfacted stitch and is capable of doing a greater variety of work in better style than any other Sewing Machine over offered for family pur-

It is not subject to the objection of using twice too much thread, and making a raveling semm like the Grover & Baker: nor is it confined in its operation to a few thin fabrics, liable to get out of order and unfitted to use flax thread, like the Wheeler & Wilson Mathine; but is amply sufficient to perform all kinds of

family sewing.
